

END USER LICENSE AGREEMENT FOR FIDO ALLIANCE FUNCTIONAL CERTIFICATION TEST TOOLS

This end user license agreement ("**License**") is a legal agreement between you (a single individual), or the company or organization (a single legal entity) that you represent and have the legal authority to bind, and FIDO relating to use of the FIDO Tools. FIDO is only willing to license the FIDO Tools on condition that you accept all of the terms of this License. By clicking "I Agree" or by installing or otherwise using the FIDO Tools and/or any Update thereto (as permitted by this License) you indicate that you agree to be bound by all of the terms and conditions of this License. If you do not agree to the terms of this License, FIDO will NOT license the FIDO Tools to you, you may not install or use the FIDO Tools or any part thereof, and you shall delete the FIDO Tools.

DEFINITIONS

For the purposes of this License the following words and expressions shall have the following meanings:

"FIDO" means FIDO Alliance, Inc.

"FIDO Documentation" means any printed, electronic or online documentation relating to FIDO Tools licensed to you by FIDO under this License.

"FIDO Tools" means any and all FIDO Functional Certification Test Tools and/or FIDO Documentation owned or licensed by FIDO, and any Updates to the FIDO Tools and/or FIDO Documentation.

"Permitted Users" means your employees, workers, consultants, professional advisors, bona fide sub-contractors and service providers that use the FIDO Tools in connection with the provision of work carried out for your benefit, and/or, other members of your organization or third party users who use the FIDO Tools with your express written permission on computers (physical or virtual) owned or controlled by you.

"Update" means an update, patch, hotfix, bug fix, support release, modification or limited functional enhancement (as applicable) to a FIDO Tool or component thereof, including but not limited to error corrections to any program or associated documentation developed by or for FIDO comprised in the FIDO Tools, which (i) FIDO makes generally available to the market, and (ii) does not, in FIDO's opinion, constitute an Upgrade or a new product.

"Upgrade" means a new release of an existing FIDO Tool which FIDO makes generally available to the market and which usually contains major functional improvements.

"Your Hardware" means hardware manufactured or developed by you or on your behalf, or hardware owned or licensed by you, which is being tested using the FIDO Tools.

“Your Reports” means any written reports or other information relating to the behavior or performance of Your Software or Your Hardware, in html, binary, text or any other format, generated by you from or using the FIDO Tools and any modifications thereto.

“Your Software” means any software owned or licensed by you (including, but not limited to, applications, and libraries, but excluding FIDO Tools) which is being tested using the FIDO Tools.

1. LICENSE GRANT

1.1 Subject to your compliance with the terms and conditions of this License, FIDO hereby grants to you and your Permitted Users a non-exclusive, non-transferable license to receive and use the FIDO Tools, certain components thereof, or optional functionality, for the permitted uses set out in this clause 1 and subject to the restrictions set out in clause 2. Except as expressly permitted by this License, you and your Permitted Users shall NOT edit, alter, modify, adapt, or otherwise change the whole or any part of the FIDO Tools, nor permit the whole or any part of the FIDO Tools to be combined with or become incorporated in any other software.

1.2 PERMITTED USE OF THE FIDO TOOLS: Except as otherwise provided in this License, use of the FIDO Tools (or components thereof) is permitted only for the purpose of:

(a) building, developing, testing, debugging, analyzing, and optimizing Your Software or Your Hardware; and

(b) generation of Your Reports, and use of Your Reports to develop, test, debug, analyze and optimize Your Software or Your Hardware.

2. YOUR OBLIGATIONS AND RESTRICTIONS ON USE

2.1 NO SUPPORT: No support or maintenance shall be provided to you in respect of the FIDO Tools;

2.2 PERMITTED USERS: You hereby agree to be responsible for the acts and omissions of any and all Permitted Users, and shall ensure that such Permitted Users (i) are contractually obliged to comply with the terms of this License, including those relating to confidentiality; and (ii) do not supply the FIDO Tools or any components thereof to any third party whatsoever. Except as expressly provided in this License or as agreed in writing by FIDO on a case by case basis, you shall not sub-license, redistribute, lease, rent or otherwise allow any third party to use the FIDO Tools.

2.3 REVERSE ENGINEERING: Your use of the FIDO Tools shall specifically exclude the reverse engineering, decompiling, disassembly, translation, adaptation, arrangement or other alteration of any part of the FIDO Tools (except to the extent that applicable law overrides this provision or any part hereof).

2.4 COPYRIGHT AND RESERVATION OF RIGHTS: The FIDO Tools are owned by FIDO and/or its licensors and are protected by copyright and other intellectual property rights, laws and international treaties. The FIDO Tools are licensed not sold. Except as expressly provided by this License, you acquire no rights to the FIDO Tools or any element thereof. You shall not distribute, resell, or make derivative works of the FIDO Tools. You shall not remove from the FIDO Tools any copyright notice or other notice and shall ensure that any such notice is reproduced in any permitted reproduction of the whole or any part of the FIDO Tools.

2.5 TECHNICAL RESTRICTIONS IN THE FIDO TOOLS: You must comply with any technical restrictions in the FIDO Tools, including any restrictions that restrict use to certain components of the FIDO Tools or use only for certain purposes. You shall not work around any such technical restrictions.

2.6 FIDO DOCUMENTATION: You may use the FIDO Documentation (if any) internally only in conjunction with your use of the FIDO Tools to which it relates.

3. LICENSE OF FEEDBACK TO FIDO

3.1 You may at your discretion deliver any suggestions, comments, feedback, ideas, or know-how (whether in oral or written form) to FIDO relating to or connected with your use of the FIDO Tools ("**Feedback**"). Notwithstanding the foregoing, you shall not knowingly give to FIDO any Feedback that you are aware (or should reasonably be aware) is subject to any patent, copyright or other intellectual property claim or right of any third party.

3.2 Except as expressly notified by you to FIDO (in writing which may include email) to the contrary, you hereby grant to FIDO under your and your affiliates (as applicable) intellectual property, a perpetual, irrevocable, royalty free, non-exclusive, worldwide license to: (i) use, copy, modify, and create derivative works of the Feedback; (ii) sell, supply or otherwise distribute the whole or any part of the Feedback (and derivative works thereof) as part of any FIDO owned or licensed product(s) without obligation or restriction of any kind; and (iii) sub-license to third parties the foregoing rights, including the right to sub-license to further third parties. No right is granted by you to FIDO to sub-license your and your affiliates (as applicable) intellectual property except to the extent that it is provided to FIDO as Feedback and is embodied in any FIDO owned or licensed product(s), publication(s) or specification(s) For the avoidance of doubt, if, during the License Term, you provide notice to FIDO revoking the license granted under this clause 3.2, you acknowledge and agree that such revocation shall not apply to Feedback delivered to FIDO prior to the date of receipt of the revocation notice, and that (notwithstanding the foregoing) FIDO shall continue to be permitted to use Feedback received after the date of receipt of the revocation notice for internal purposes.

3.3 Except as expressly licensed to FIDO in clause 3.2, you retain all right, title and interest in and to the Feedback provided by you under this License.

4. DATA COLLECTION AND PRIVACY

4.1 The FIDO Tools may include features that enable it to transmit certain computer information over the internet to FIDO's and/or its service providers' computer systems, for example your computer's internet protocol address, computer hardware and operating system details, or the serial numbers of the FIDO Tools you have licensed. This information will not be shared with any third parties, and shall be used by FIDO only for the purpose of FIDO protecting its legitimate interests, which may include FIDO verifying your right to use the FIDO Tools and monitoring your compliance with the permitted uses and restrictions set out in this License.

4.2 FIDO may also collect anonymous data, which, for the avoidance of doubt, cannot be used to identify individual users of the FIDO Tools. This information may be used by FIDO to help us understand and analyse what components or features in the FIDO Tools our end users are using in order to (i) maintain and improve the quality of the FIDO Tools and the end user experience, (ii) inform end users of relevant new and improved products and services, and (iii) assist end users to maximise the performance of, or solve user experience issues with, the FIDO Tools.

4.3 Information collected by the FIDO Tools will only be used for the aforementioned purposes. Please refer to the FIDO Privacy Policy <https://www.FIDO.com/company/policies/privacy> for further information on how FIDO collects, uses and safeguards personal data (including but not limited to personal data collected for the protection of FIDO's legitimate interests and your rights to object to its collection).

5. CONFIDENTIALITY

5.1 You acknowledge that the FIDO Tools and any and all other software, documentation or other information licensed to you by FIDO, or provided to you during discussions about or in connection with the FIDO Tools (including this License and information provided during the provision by FIDO of any support), contain trade secrets and confidential information of FIDO ("**Confidential Information**").

5.2 You agree to maintain all such Confidential Information in confidence and apply security measures (such measures to be no less stringent than the measures which you apply (or should reasonably apply) to protect your own like information, but not less than a reasonable degree of care) to prevent their unauthorized disclosure and use.

5.3 Subject to any restrictions imposed by applicable law, the period of confidentiality shall be five (5) years from the date of disclosure of the Confidential Information. You agree that you shall not use any such information other than in your normal use of the FIDO Tools as permitted by this License.

6. NO WARRANTIES

6.1 The FIDO Tools described in any FIDO Documentation is subject to continuous development and improvement. All particulars of the FIDO Tools and its use as described in the

FIDO Documentation are given by FIDO in good faith. Consequently, the information contained in the FIDO Documentation is subject to change without notice and is not warranted to be error free. If you discover any errors in the FIDO Documentation please report them to FIDO in writing. Any FIDO Documentation provided to you that relates to specific industry quality and functional safety standard compliance may assist you in applying to a competent auditor for certification of Your Software or Your Hardware, but you acknowledge and agree that on its own such FIDO Documentation may not provide sufficient evidence of, or be compatible with, the required safety compliance standards.

6.2 You agree that the FIDO Tools are licensed “as is”, and that FIDO expressly disclaims all representations, warranties, conditions or other terms, express or implied or statutory, including without limitation the implied warranties of non-infringement, satisfactory quality, and fitness for a particular purpose. You acknowledge that it is your responsibility to satisfy yourself that the FIDO Tools are fit for the intended purpose and satisfy your requirements, including compatibility with Your Hardware and Your Software, and you expressly assume all liabilities and risks relating to (i) any use of an FIDO Tool which is inconsistent with its design or any guidance provided to you in the applicable FIDO Documentation, and/or (ii) any use of an FIDO Tool with Your Software or Your Hardware where such software or hardware (as applicable) is not supported by or compatible with the relevant FIDO Tool.

7. LIMITATION OF LIABILITY

7.1 To the maximum extent permitted by applicable law, in no event shall FIDO be liable for any indirect, special, incidental or consequential damages (including loss of profits) arising out of the use of, or inability to use, the FIDO Tools, whether based on a claim under contract, tort or otherwise, even if FIDO was advised of the possibility of such damages.

7.2 FIDO does not seek to limit or exclude liability for death or personal injury arising from FIDO's negligence or FIDO's fraud. FIDO acknowledges that certain jurisdictions do not permit the exclusion or limitation of liability for consequential or incidental damages, and in such cases the above limitation relating to liability for consequential damages may not apply to you.

7.3 Notwithstanding anything to the contrary contained in this License, the maximum liability of FIDO to you in aggregate (in contract, tort or otherwise) in relation to or in connection with the subject matter of this License shall not exceed \$10.00 USD. The existence of more than one claim will not enlarge or extend the limit.

8. THIRD PARTY MATERIAL

8.1 The FIDO Tools may contain material owned or developed by third parties, including but not limited to open source software, freeware and commercial software (“**Third Party Material**”). Any Third Party Material is subject to the terms and conditions of the applicable Third Party Material license(s) and is not covered under the terms of this License. Details relating to such

Third Party Material shall either be presented to you at the time of installation or shall be detailed in the Third Party Licenses File(s). Your use of such Third Party Material is subject to your compliance with the applicable Third Party Material license(s).

8.2 FIDO hereby disclaims any and all warranties express or implied from any third parties regarding, or otherwise connected with, any Third Party Material included in the FIDO Tools and any Third Party Material from which the FIDO Tools are derived, and/or your use of any or all of the Third Party Material in connection with Your Software or Your Hardware, including (without limitation) any warranties of satisfactory quality or fitness for a particular purpose.

8.3 No Third Party Material licensors shall have any liability for any direct, indirect, incidental, special, exemplary, or consequential damages (including without limitation lost profits) howsoever caused and whether made under contract, tort or otherwise arising in any way out of your use or distribution of the Third Party Material or the exercise of any rights granted under either or both this License and the legal terms applicable to any Third Party Material, even if advised in advance of the possibility of such damages.

9. GOVERNMENT REQUIREMENTS

9.1 To the extent that you are an agency, contractor or instrumentality of the U.S. Government, you and we agree that:

(a) the FIDO Tools are commercial computer software and commercial computer software documentation, and that your rights therein are as specified in this License, per FAR 12.212 and DFARS 227.7202-3, as applicable, or in the case of NASA, subject to NSF 1852.22786. FIDO acknowledges that, whilst commercial computer software or commercial computer software documentation shall be acquired under licenses customarily provided to the public, such licenses must be consistent with U.S. Federal law and otherwise satisfy the U.S. Government's needs ("**U.S. Government Requirements**"); and

(b) you may assign your rights under this License to the relevant US Government Federal Department or the successor contractor designated by the US Government Federal Department upon termination of your related prime contract with that US Government Federal Department. If you exercise your rights under this clause 10.1(b), you acknowledge and agree that you shall remain liable to FIDO in respect of all your obligations under this License.

9.2 If there is any material inconsistency between (i) either a U.S. Government Requirement or a requirement of another government with which FIDO is mandated by statute to comply and (ii) any provision of this License, the terms of the relevant government requirement shall prevail and the provision in question shall be deemed varied or deleted (as applicable) as required by the terms of the relevant government requirement. For the avoidance of doubt, in such circumstances, all other terms, conditions and provisions of this License will continue to be valid to the fullest extent permitted by law in accordance with the below clause 11.3.

10. TERM AND TERMINATION

10.1 Subject to clauses 10.2 and 10.3 below, this License shall remain in force until terminated by you or by FIDO.

10.2 In the event of a party breaching of any of the terms and conditions of this License, which if capable of remedy, has not been remedied by that party within thirty (30) days of the date of breach, without prejudice to any of its other rights under this License, the non-breaching party may terminate this License immediately upon giving written notice to the breaching party. Upon termination of this License by you or by FIDO, you shall (and shall ensure that your Permitted Users shall) immediately (i) stop using the FIDO Tools (or any element thereof) and any Confidential Information and, (ii) destroy all copies of the same in your possession or control, together with all FIDO Documentation and related materials.

11. GENERAL

11.1 This License is governed by and interpreted in accordance with laws of the State of California, excluding its choice of law rules. Notwithstanding the foregoing, to the extent that you are an agency, contractor or instrumentality of the U.S. Government, disputes arising under or relating to this License shall be decided under the U.S. federal law of government contracting, including without limitation the Contract Disputes Act. Nothing in this License shall prevent you from enforcing your intellectual property rights or seeking injunctive or other equitable relief in any court of competent jurisdiction. The parties hereby disclaim application of the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act.

11.2 Except where FIDO agrees otherwise in (i) a written contract signed by you and FIDO, or (ii) a written contract provided by FIDO and accepted by you, this is the only agreement between you and FIDO relating to the FIDO Tools and it may only be modified by written agreement between you and FIDO. This License (and any documents expressly incorporated into it by reference herein) represents the entire agreement between you and FIDO in relation to its subject matter.

11.3 If any clause or sentence in this License is held by a court of law to be illegal or unenforceable, the remaining provisions of this License shall not be affected. Any failure by FIDO to enforce any of the provisions of this License, unless waived in writing, shall not constitute a waiver of FIDO's rights to enforce such provision or any other provision of this License in the future.

11.4 Subject to clause 9.1(b), neither this License or any rights granted to you under it may be assigned, sub-licensed or otherwise transferred by you to any third party without the prior written consent of FIDO. An assignment shall be deemed to include, without limitation (i) any transaction or series of transactions whereby a third party acquires, directly or indirectly, the power to control the management and policies of you, whether through the acquisition of voting securities, by contract or otherwise; and (ii) the sale of more than fifty percent (50%) of your assets whether in a single transaction or series of transactions.

11.5 Subject to any applicable legal restrictions, including but not limited to those relating to the security of classified information, at FIDO's request, (i) you agree to check your computers for installations of the FIDO Tools and any other information requested by FIDO relating to FIDO Tools installation and usage, and, to provide this information to FIDO; and (ii) you agree that FIDO may instruct appropriately qualified independent auditors to perform such checks by prior appointment during your normal business hours on reasonable notice. In respect of any audit, FIDO shall bear the auditors' costs for that audit unless it reveals unlicensed usage, in which case you shall promptly reimburse FIDO for all reasonable costs and expenses, including professional fees, relating to such audit. Any information which is disclosed to FIDO or such auditors during checking or audit shall be treated as your confidential information and shall only be used by FIDO for compliance and enforcement purposes.

11.6 The FIDO Tools provided under this License are subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. You agree to comply fully with all laws and regulations of the United States and other countries ("**Export Laws**") to ensure that the FIDO Tools are not (i) exported, directly or indirectly, in violation of Export Laws, either to any countries that are subject to U.S. export restrictions or to any end user who has been prohibited from participating in the U.S. export transactions by any federal agency of the U.S. government; or (ii) intended to be used for any purpose prohibited by Export Laws, including, without limitation, nuclear, chemical, or biological weapons proliferation.
